Office of the Provost

Committees 2021-2022

Advisory Committee for Postdoctoral Affairs

Purpose:
The primary mission of this committee is to improve the postdoctoral experience at Yale through the development and promotion of sound postdoctoral mentoring practices. The committee also serves as a valuable resource to advise my office on postdoctoral training, career development, and other factors that have the potential to enhance postdoctoral life at the University. I am encouraged by the progress the committee has made since it was first convened, and look forward to it continuing this important work during the upcoming year.

Chair: Elias Lolis

- Emily Bakemeier
- Daniel Colin-Ramos
- Michael Denning
- Roderick Ferguson
- Grace Kao
- Courney Martin
- Ahmed Mobarak
- Tavia Nyong’o
- Pamela Schirmeister
- Alicia Schmidt Camacho

Advisory Committee on Accessibility Resources

**Purpose:**
The Committee provides the University with advice and assistance in fulfilling its commitment to create and maintain an environment that is accessible and supportive of students, faculty, staff, and visitors with disabilities. Each member also sits on one or more active subcommittees: education and awareness; technology; services; facilities; and neurodiversity.

**Chair:** Carl Baum

**Committee Members:**
- Susan Abramson
- Erin Braselmann
- Sarah Chang
- Elizabeth Conklin
- Zach Connerty-Marin
Biological Safety Committee

Purpose:
The Committee advises the president, the provost, and the director of Environmental Health and Safety on policy matters relating to the protection of faculty, students and staff from biohazardous agents that may be present in laboratory materials or in the environment; oversees the activities of the Department of Biological Safety within Environmental Health and Safety; fulfills the responsibilities of the Institutional Biohazards Committee as defined in the NIH Guidelines for Recombinant DNA Research; and ensures the University’s
compliance with federal and state regulations and University policies regarding the use of biohazardous agents.

Carbon Offsets Oversight Committee

Purpose:
As you may know, the university will need carbon offsets to meet its climate goals. A carbon offsets working group, led by Dean Takahashi, will manage and implement the offsets program. The president’s committee will govern the work of this group, ensuring Yale obtains reasonable-quality offsets as economically as possible and in sufficient quantity to reach its carbon neutrality goals. The committee will approve investment guidelines as well as individual purchases (after due diligence performed by Dean’s working group). The committee’s approval will serve as a formal recommendation to the appropriate university official to execute the relevant agreement(s) on behalf of the university.

Chair: Steve Murphy
Committee Members:

- David Bercovici
- Amy Chivetta
- Matt Kotchen
- Timothy Pavlis

Concussion Management Working Committee

Purpose:
The Concussion Management Working Committee develops a concussion management protocol for Athletics and Yale Health and oversees associated issues involved in the management of concussions suffered by student-athletes.

Chair:

Committee Members:

- Stephanie Arlis-Mayor
- Victoria Chun
- Jason Cordone
- Ann-Marie Guglieri
- Caroline Hendel
- Burgwell Howard
- Nancy Loucks
- Jennifer McCarthy
- Michael Rigsby

Conflict of Interest Committee

Purpose:
This Committee is convened in accordance with the Yale University Policy on Conflict of Interest (the Policy) to advise the University leadership regarding the implementation of the Policy and to review individual disclosures of external activities submitted by faculty, and by non-faculty personnel and students who are engaged in research. In reviewing disclosures, the Committee is convened in accordance with the Yale University Policy on Conflict of Interest (the Policy) to advise the University leadership regarding the implementation of the Policy and to review individual disclosures of external activities submitted by faculty, and by non-faculty personnel and students who are engaged in research. In reviewing disclosures, the committee identifies apparent and actual conflicts of interest and
determines means whereby these conflicts can be eliminated or appropriately managed to ensure that the University is in compliance with the Policy and with relevant federal regulations.

Cooperative Research Committee

Purpose:
The Committee advises the provost on policies and procedures relating to intellectual property and technology transfer, as well as on related issues associated
to the academia-industry interface. The Committee also provides advice and direction to Yale’s Office of Cooperative Research (OCR), particularly on matters relating to faculty interests in technology development and faculty interactions with OCR. It will also serve to provide broad advice to the Provost’s Office on student and faculty entrepreneurship at Yale, and specifically on synergies among different efforts in this space.

Chair:

Committee Members:

- Rajit Bindra
- Robert Bienstock, ex officio member
- James Boyle, ex officio member

Human Embryonic Stem Cell Oversight Committee (ESCRO)

**Purpose:**
The ESCRO was convened to explore and address the many ethical, scientific, and policy questions associated with human embryonic stem cell research and to oversee the derivation and use of human embryonic and other human totipotent and pluripotent stem cell lines at the University and/or by Yale investigators. The ESCRO reviews research proposals involving human embryonic/toti-pluripotent cell lines (hES research); monitors and promotes compliance of hES research with all relevant regulations, policies, and guidelines; maintains registries of hES research conducted at Yale and hES cell lines derived or imported by University investigators; and facilitates the education of investigators and research personnel involved in hES research in related ethical, legal, and policy issues. The ESCRO must draw upon expertise from a variety of disciplines to exercise its responsibilities. [View a detailed list of committee members.](#)

Information Technology Services Advisory Committee

**Purpose:**
This committee meets periodically to provide advice to the provost, the vice president for Finance and Business Operations, and Yale’s Chief Information Officer on Yale’s information technology policies, strategies, priorities and services in support of faculty and students.

**Chairs:** Michael Higley

**Committee Members:**

Institutional Animal Care and Use Committee (IACUC)

Purpose:
The University relies upon the IACUC to ensure that the care and use of animals involved in Yale’s research initiatives are humane, appropriate, and in compliance with relevant regulations and policies.

- **Committee Members:** Confidential Member list
Institutional Compliance Leadership Committee

**Purpose:**
The Committee supports Yale in promoting a culture of ethical conduct and compliance with laws, regulations, policies, and contractual requirements. This is primarily done by facilitating risk-based oversight and management of Yale’s compliance activities.

**Chair:** Chris Hanson

**Committee Members:**
- Susan Bouregy
- Kevin Charbonneau
- Elizabeth Conklin
- Alyssa Gateman
- James Luther
- Jeremy Rosenberg
- Andrea TenBrink

Institutional Review Boards (IRBs)

**Purpose:**
Yale University’s Human Research Protection Program (HRPP) maintains Institutional Review Boards (IRBs) to provide the ethical review and oversight of its human research activities. The IRBs have the authority to grant exemption from review, approve, disapprove, require modification in research protocols and monitor research to ensure that the rights and welfare of research participants are protected. The IRBs apply the highest standards promulgated by Federal and State regulation and guidance as well as accreditation through The Association for the Accreditation of Human Research Protection Programs, Inc. (AAHRPP).

Review Committee for the Faculty

Purpose:
This committee plays an extremely important role in ensuring the integrity and fairness of our appointments process and other faculty policies. Panels selected from the committee meet only when complaints are forwarded for consideration. Although we have no way to anticipate how often or even if these panels will be meeting this year, we must have the committee standing ready to convene panels and decide these important matters should they arise during the course of the year. The procedures of the committee are described in the Faculty Handbook, Chapters III.L and III.M. You can read this online at http://provost.yale.edu/faculty-handbook.

Yale Center for Natural Carbon Capture (YCNCC) Steering Committee

Purpose:
The Steering Committee will serve an important oversight role in YCNCC governance. Members will advise the YCNCC Co-Directors, David Bercovici and Liza Comita; provide guidance on Institute strategies and scientific initiatives; help steward Institute resources; interface with internal and external stakeholders; receive updates on plans and progress; provide feedback and propose ideas; and partner on faculty hiring, all consistent with the goals of the Center as articulated by the donor in their historic gift. Given the intrinsically interdisciplinary nature of the Center’s mission, its success depends upon the contributions and support of a diverse Steering Committee. In steady state, I anticipate that the Steering Committee will meet a few times each semester. More frequent meetings may initially be necessary as the Yale Center for Natural Carbon Capture ramps up and initiates its activities.
